

# The Dentist's Surgery

November

**The children enjoyed building their own dentist surgeries with Lego and playing with the small world characters inside their dentist surgeries on completion.**

# The children loved making their cotton wool teeth and tooth brush holders!!

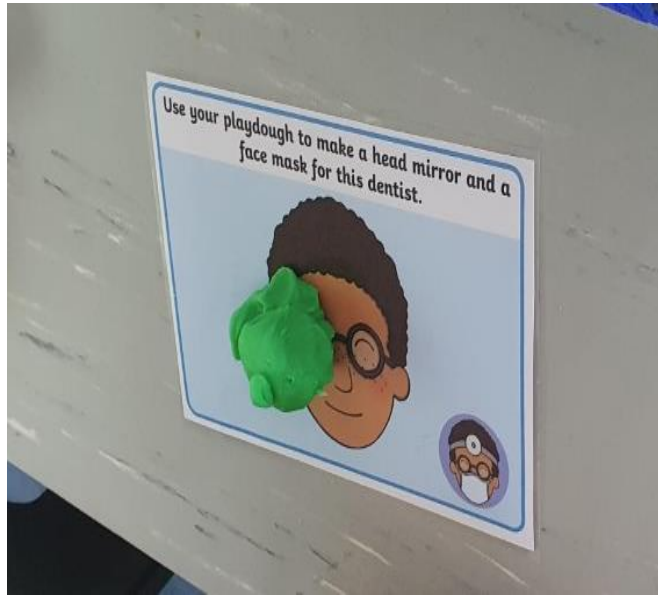

**The children completing the cut and stick activity based around foods that are good for our teeth and foods that are bad for our teeth.**

# Playdough activities!

# The children playing The Dentist Roll and Colour game!

**The favourites were definitely making the model mouth using baby marshmallows and practising brushing using a toothbrush on the mouth template!**

**The final week consisted of jigsaws, snap, memory games, building blocks, peg board activities (Juniors) and a word construction game (Seniors)**
