DAILY QUIZ	MENTAL MATHS	PARAGRAPH PROJECT	COMPREHENSION ACTIVITY
<p>A 10-question general knowledge quiz posted online every day at 9:20 a.m. Children read the series of questions and type their answers in the comment box provided. Answers are given the following day, along with the names of those who got all right. A fun warm-up activity.</p>	<p>A 15-question mental maths posted online every day at 9:20 a.m. Children listen to an audio file, where we call out the questions. They can write down their answers and later type them in the comment box provided. Answers are given the following day, along with the names of those who got all right. A fun maths activity.</p>	<p>Every day, we give readers a sentence to begin a creative paragraph with. They can type it into the comment box provided. That evening, we'll go through all the paragraphs and publish the best of the lot.</p>	<p>This week's comprehension activity requires the children to skim and scan their online edition of <i>The Primary Planet</i> for the answers. We'll give page number clues where needed. Again, children can type their answers in the comment box provided, and we'll pick out those who get them all correct.</p>
GRAMMAR ACTIVITY	CLOZE TEST ACTIVITY	MATHS STORY ACTIVITY	VOCABULARY ACTIVITY
<p>This week's grammar activity requires the children to edit and correct a news article related to this month's <i>Primary Planet</i>. We'll give the children a list of what they need to find. E.g. spelling mistakes, incorrect words, punctuation, etc. Children can type their answers in the comment box provided.</p>	<p>This week's Cloze Test activity requires the children to fill in the blanks of a related article. We'll give the children a list of words to choose from and they can type their answers in the comment box provided.</p>	<p>This week's Maths Story activity is taken straight from this month's issue. Here, we challenge the children to work out the answers before typing them into the comment box provided.</p>	<p>This week's vocabulary enrichment activity challenges the children to find words throughout the magazine that match the definitions we provide. Clues provide differentiation and children can type their answers into the comment box provided.</p>
